

Metzgers to Argentina

SEPTEMBER-NOVEMBER 2026 PRAYER LETTER

FURLOUGH IS FINALIZED!

Our three-month furlough has come and gone, and we are back in our beloved Argentina once again. We saw many of you while making our way across the U.S. and were blessed to be a part of a few missions conferences, missions emphasis months, and regular church services. We reported on what God has done over the past three years since our last furlough, and presented to three new churches also, who have decided to partner with us financially. It was a wonderful time with family, friends, and even making new friends!

Thank you for blessing us while we encouraged and celebrated your faithfulness in giving and praying to see the Great Commission accomplished not only in Argentina but all over the world.

It was also a blessing to find the church here in González Catán doing well upon our return. Our leadership team worked well together in teaching and caring for the church in our absence, even having to handle a couple difficult situations. We praise the Lord for His work in His church!

Keep praying for us as we enter the Christmas and end-of-year season, followed by summer camps in January. This is always an exhausting but fruitful time of ministry each year, and we pray for the energy, strength, and health to do all that God has called us to do. Pray that we will continue to stay rooted and grounded in Christ through all the activity, remembering that it is for Him that we do what we do.

Time spent with pastors and churches

Time spent with family like Ben's parents!

Time spent with other missionaries like the Franklins to Argentina!
