“Your Order is Complete”

We bought our plane tickets! Over the last two months we have been amazed to see the Lord increase our support from 69% to 92%! We praise God for His merciful provision for us during this deputation journey. It would be impossible to do what He has called us to do without your faithful prayers and support, so we also thank you! With immense joy we purchased our plane tickets and will be leaving for Buenos Aires, Argentina on August 26th, to arrive the following day. With our upcoming schedule through August, we are confident that God will also bring in at least another five ministry partners to get us to our support goal before we leave. Argentina, here we come!

The Next Step

Another area in which we have seen the Lord provide is in our setup costs. Through the generosity of many churches and individuals, we have been able to save up over 70% of our setup costs. In preparation for our family's transition to Argentina, would you consider how you might help us with the remaining portion so we can get established quickly on the field? If you would like to give specifically towards these needs, you can find the list of setup costs on our website www.MetzgerstoArgentina.com. Click the “Contact Us/ Donate” tab and follow the links to give online, or simply send a check to our missions’ office address listed below with the item specified in the memo line. Thank you for being a blessing to our ministry.

Ministry in Argentina

Update on ministry happening in Argentina: April 17-19 Calvary Baptist Church had their annual Easter family retreat at the camp. On Friday night one of the young teenage girls, Karen, and a lady, Mariana, both received Christ as their Savior! We rejoice for these two decisions, and look forward to being there with the church family for next year's Easter retreat!
