Ready to Teach...and Learn

God impressed on Rachelle's heart to begin a childrens' class on Wednesday evenings during the prayer meeting. So, in November she started a kids' class and has had between 8-12 kids coming regularly to hear God's Word and learn together. Of course it is a learning process for Rachelle also, since we have one year-olds through twelve year-olds all together! But, they are eager to learn! So far we have dealt with topics such as salvation, the Lords' armor, and soon we will learn about prayer and how we can truly draw closer to God by praying effectively. Pray for us, that during this time these sweet children will draw closer to God.

Merry Christmas!!!

We have regular women's meetings, but two of the biggest ones of the year are for Mother's Day (in October) and Christmas. This year we had many of the women of the church involved in everything for the Christmas event. We also had 5 visitors who heard a clear Gospel message! Once again our landlady came and really enjoyed herself. She had some questions, also, but as of yet does not see her need for a Savior. Please pray that all of those who visited will be saved soon! The Christmas program, which is also a large event, was held on December 20th. Our brother-in-law, Richard wrote the program, and it was a fresh way of presenting the Christmas story. We praise the Lord for the many visitors who heard a clear message of the Gospel!

New Year... New Doors

Thank you so very much for your wonderful support both financially and prayerfully this past year, we cannot do it without you! We're starting 2016 and excited for the new doors God will open. Up until now we have been blessed to be involved with the ministries of Iglesia Bautista Calvario here in Isidro Casanova, but we know God is leading us to start new churches in other areas. We ask you to pray for us, that we would see God's guiding hand to the place He has for us. There are overwhelming needs and tremendous possibilities, but God is faithful to lead and strong to help.

Prayer Requests

*Salvation for Pablo and Lorena

*Youth camps are coming up in January!

Praises

*We celebrated 14 years of marriage in December!

*Natalie, Lucas and Alenna continue to learn Spanish by leaps and bounds! And Nicolas is learning to sit and roll!
