JULY-AUGUST 2026 PRAYER LETTER

YOUTH *Retreats*

The last two weeks of July were spent in youth retreats! This year we used both weeks of winter break to have two four-day camps. There were over 150 campers during both weeks, and many spiritual decisions were made, including eleven trusting the Lord for salvation, two of those from our church! One other young man was baptized the following Sunday! Please pray that these youth will continue strong in the Lord, growing into true disciples of Jesus Christ!

It is such a blessing to be a part of this impactful ministry. We participate in so many different camps and retreats throughout the year, and there are countless decisions made for Christ through this ministry. If you feel led to give to it specifically, please send your support through the missions' office to us, earmarked "Camp".

FURLOUGH *Beginnings*

We arrived in the U.S. at the beginning of August and have hit the ground running. We were able to spend a week catching up with Ben's family, but also reported to churches in the area, and saw some extended family as well. We are currently in the mid-Atlantic region, but by the second week of September will already be in the Midwest. So far we have had safe travels, and wonderful times reporting back to our supporting churches. All of our Sunday are filled up, and some Wednesdays also! Please pray for continued safety for our family, and for us to be a blessing to the churches we have yet to see in the coming two months. Also, please pray for our church back home in Argentina: for faithfulness and unity while we are not there. Reports of what God has been doing are good!

CHILDREN'S DAY *Party*

Even while we are gone ministry is carrying on in Argentina. We are thankful for the church members and leaders who are carrying on the work of the ministry while we are away. One such work was a Children's Day celebration in August. The whole church family came out to celebrate the children of our church and other neighborhood children as well. They had a beautiful party, with a dinosaur/creation theme. There were many visitors there. Please pray for those who heard the Gospel presentation, that they may come to know Jesus as Savior!
